

XX North European Veterans Table Tennis Championships in Liepaja has been postponed to spring 2022

This year, COVID-19 has swept the world, and countries have undergone severe tests. The epidemic does not respect national borders. Only by helping each other and working hand in hand can all countries overcome the difficulties. Since the outbreak of the epidemic, NETU countries have supported each other in fighting the epidemic and jointly promoted pragmatic cooperation, which reflects the friendly friendship of mutual assistance.

The XX North European Veterans Table Tennis Championships in Liepaja 2020 are being postponed due to the global pandemic Covid-19.

After careful discussions with all parties involved the conclusion of postponement of the Championship has been reached. Like everybody, we are very disappointed there will be no North European Veterans Table Tennis Championships this year.

Thanks to the Finnish Table Tennis Association for understanding and bring us the possibility to organize XX North European Veterans Table Tennis Championships in Latvia in 2022.

The provisional dates are 2022, April 22-24.

We hope to be able to bring you more news in the nearest future.

All registered participants will receive an entry fee and all additional payments back in a few weeks to the same account from which the payment was received.
